Core Functions	20
<u>Strategic Objectives and Region-wide Expected Results</u>	23
<u>SO1</u> To reduce the health, social and economic burden of communicable diseases	25
<u>SO2</u> To combat HIV/AIDS, tuberculosis and malaria.....	33
<u>SO3</u> To prevent and reduce disease, disability and premature death from chronic noncommunicable conditions, mental disorders, violence and injuries	42
<u>SO4</u> To reduce morbidity and mortality and improve health during key stages of life, including pregnancy, childbirth, the neonatal period, childhood and adolescence, and improve sexual and reproductive health and promote active and healthy aging for all individuals	49
<u>SO5</u> To reduce the health consequences of emergencies, disasters, crises and conflicts, and minimize their social and economic impact	57
<u>SO6</u> To promote health and development, and prevent or reduce risk factors such as use of tobacco, alcohol, drugs and other psychoactive substances, unhealthy diets, physical inactivity and unsafe sex, which affect health conditions.....	62
<u>SO7</u> To address the underlying social and economic determinants of health through policies and programs that enhance health equity and integrate pro-poor, gender-responsive, and human rights-based approaches.....	68
<u>SO8</u> To promote a healthier environment, intensify primary prevention and influence public policies in all sectors so as to address the root causes of environmental threats to health	73

<u>SO9</u>	To improve nutrition, food safety and food security throughout the life-course, and in support of public health and sustainable development	79
<u>SO10</u>	To improve the organization, management and delivery of health services	85
<u>SO11</u>	To strengthen leadership, governance and the evidence base of health systems	89
<u>SO12</u>	To ensure improved access, quality and use of medical products and technologies	94
<u>SO13</u>	To ensure an available, competent, responsive and productive health workforce to improve health outcomes	98
<u>SO14</u>	To extend social protection through fair, adequate and sustainable financing	103
<u>SO15</u>	To provide leadership, strengthen governance and foster partnership and collaboration with Member States, the United Nations system and other stakeholders to fulfill the mandate of PAHO/WHO in advancing the global health agenda, as set out in WHO's Eleventh General Programme of Work, and the Health Agenda for the Americas	106
<u>SO16</u>	To develop and sustain PAHO/WHO as a flexible, learning organization, enabling it to carry out its mandate more efficiently and effectively	112
 <u>Ensuring Efficient and Effective Implementation</u>		119
	Organizational Change Objectives and the Roadmap Teams	119
	Country Cooperation Strategies.....	119
	Results-based Management	120
