25 April 1984
ORIGINAL: ENGLISH

REPORT ON THE COLLECTION OF QUOTA CONTRIBUTIONS

The Director has the honor to present a report on the status of quota contributions as of 25 April 1984.

In the Financial Report of the Director for the Financial Period 1982-1983 (Official Document 194) there is presented a table showing the status of quota contributions as of 31 December 1983. To provide the Executive Committee with the latest information, an updated table is attached as Annex I. Collections are also shown by Member Country and by date of payment in Annex II. The status of contributions due in 1984 from those Member Countries having approved deferred payment plans is also shown in Annex II.

An examination of Annex I discloses that \$17,458,822.31 in quota contributions has been received up to 25 April 1984, compared with \$15,426,127.68 received during the same period in 1983. Quota contributions due from prior years assessments totaled \$10,894,535.22 as of the same date, compared to \$6,220,857.07 in 1983. Every effort is being made to encourage Member Countries to make prompt payment of quota arrears.

In 1979 the XXVI Meeting of the Directing Council, by Resolution XXVIII, approved a supplementary budget for the financing of the Pan American Foot-and-Mouth Disease Center and the Pan American Zoonoses Center. The status of collection of quotas for these supplementary budgets is presented in Annex III.

On 26 September 1983 the Working Party on the Application of Article 6.B of the PAHO Constitution presented a report to XXIX Meeting of the Directing Council. This report included a recommendation that the expired 10-year payment plans of two Member Countries be extended for one additional year until new payment plans could be adopted and presented to the 92nd Meeting of the Executive Committee for approval. These plans

should provide for payment of arrears over the shortest possible time not to exceed five years. The report also recommended that a third Member Country provide assurance that all quota amounts due and payable under its 20-year payment plan would be paid in full by 1986, the expiration year of the plan.

By Resolution XI, the Directing Council approved these recommendations and instructed the 92nd Meeting of the Executive Committee to conduct a review of the situation of the countries in arrears in an amount exceeding the sum of their quotas for two full years, and to report on their findings and recommendations to the XXX Meeting of the Directing Council. A special report on these quota payment situations will be presented to the 92nd Meeting of the Executive Committee.
