AMENDMENTS TO THE PASB STAFF RULES

In accordance with the provisions of Staff Rule 020, the Director submits to the Executive Committee, as annex to this document, for confirmation, the amendments to the Staff Rules he has made since the 124th Session.

These revisions are in line with those adopted by the Executive Board of the World Health Organization at its 105th Session (Resolutions EB105.R13 and EB105.R14) and are in compliance with paragraph 2 of Resolution CE59.R19 adopted by the Executive Committee at its 59th Session (1968), which requested the Director to continue to introduce changes as he deems necessary to maintain close similarity between the provisions of the Staff Rules of the Pan American Sanitary Bureau (PASB) and those of the World Health Organization (WHO).

The amendments presented result from decisions taken by the United Nations General Assembly at its fifty-fourth session on the basis of recommendations made by the International Civil Service Commission (ICSC), in accordance with United Nations common system arrangements.

The amendments implement the results of periodic updates by the Commission, based on established methodologies. The annex to this document contains the text of the amended Staff Rules. The effective date of these changes is 1 March 2000.

These additional costs under the regular budget will be absorbed under the appropriate allocations for the 2000-2001 program budget.

The Committee is invited to consider a draft resolution which confirms the amendments contained in this document, modifies the remuneration of staff in ungraded posts, and recommends to the 42nd Directing Council modification in the remuneration of the Director.

1. Schedule of Salaries for the Professional and Higher-graded Categories

The United Nations General Assembly approved, with effect from 1 March 2000, the revised base/floor salary scale for the professional and higher-graded categories, incorporating an increase of 3.42% through the consolidation of post adjustment classes into the net base salary, on a “no loss-no gain” basis. Changes will also be required to the schedule of staff assessment rates for professional and higher-graded staff.

Staff Rules 330.1.1 and 330.2 have been modified accordingly.

2. Salaries of the Deputy Director and Assistant Director, and of the Director

As a consequence of the revision of the base/floor salary scale for professional and higher-graded categories described above, modifications in the salaries of the posts of Deputy Director, Assistant Director, and Director should also be made.

Since 1962 it has been the policy of the Executive Committee to set the salary of the Deputy Director at the level of other WHO Regional Directors and that of the Assistant Director at \$1,000 less.

Considering that PASB Staff Regulation 3.1 states: “The salaries for the Deputy Director and Assistant Director shall be determined by the Director of the Bureau with the approval of the Executive Committee,” the Committee may wish to follow this practice and adjust the annual net salary of the Deputy Director to \$99,278 per annum at dependency rate and \$89,899 per annum at single rate, and that of the Assistant Director to \$98,278 per annum at dependency rate and \$88,899 per annum at a single rate, effective 1 March 2000.

The 20th Directing Council, in operative paragraph 2 of Resolution CD20.R20, requested “the Executive Committee, in case of any future adjustments in respect of professional and ungraded categories of posts, to make recommendations to the Conference or the Directing Council concerning the appropriate level of the salary of the Director.”

Since 1969, the practice of the Governing Bodies of PAHO has been to maintain the salary of the Director at the USG level of the UN system salary scale, which in the past WHO structure corresponded to the WHO Deputy Director-General.

The Executive Committee following this guide, may wish to recommend to the 42nd Directing Council that it adjust the annual salary of the Director to \$108,242 per annum at dependency rate and \$97,411 per annum at single rate, effective 1 March 2000. The above changes are also on the basis of the “no loss-no gain” formula.

3. Action by the Executive Committee

In the light of these revisions the Committee may wish to consider the following:

Post adjustment indices and multipliers at all duty stations will be modified, effective 1 March 2000. Therefore, changes in post adjustment classifications will be implemented on the basis of the movements of the consolidated post adjustment indices.
