PAHO AWARD FOR ADMINISTRATION, 2001

The PAHO Award for Administration is given annually to an outstanding professional in the health field to stimulate excellence and leadership in the area of health administration and management in the broadest sense.

As in previous years, the Standing Committee of the Executive Committee will meet during the 128th Session of the Executive Committee and recommend to the Executive Committee the recipient of the 2001 Award.

A list of previous winners is presented.

The PAHO Award for Administration dates back to 1969, when the Executive Committee of PAHO, at its 61st Session, accepted a donation from Dr. Stuart Portner, former Chief of Administration of the Pan American Sanitary Bureau, to institute an annual award for the purpose of contributing to the improvement of health administrative systems. The Award, currently set up in the amount of US\$ 5,000, is granted according to procedures and guidelines approved by the Pan American Sanitary Conference and the Directing Council of PAHO.

The Award Committee is made up of representatives of three Members of the Executive Committee, who will meet during its 128th Session to select the winner from among the candidates proposed by governments. The Award will be presented to the winner at a ceremony to take place during the 43rd Directing Council in September 2001.
