**QUINQUENNIAL REPORT OF THE DIRECTOR OF THE  
PAN AMERICAN SANITARY BUREAU 2003-2007**

***LEADING PUBLIC HEALTH IN THE AMERICAS INTO THE XXI CENTURY***

To the Member States:

As mandated by the Constitution of the Pan American Health Organization, I have the honor of submitting the Quinquennial Report 2003-2007 on the activities of the Pan American Sanitary Bureau, Regional Office of the World Health Organization. The report analyzes the most relevant information on compliance with the technical cooperation program during this period, within the framework of the strategic and programmatic orientations defined by the Governing Bodies of the Pan American Health Organization for the quinquennium 2003-2007.
